

AHAM Private Retirement Scheme

PRODUCED: DECEMBER 2023

Who can invest in PRS?

How does PRS work?

All your PRS investments will be divided into two accounts for every contribution:

Sub-Account A

Can be withdrawn upon reaching retirement age or permanent departure from Malaysia.

Sub-Account B

Can be withdrawn once a calendar year, subject to payment of 8% tax penalty* on the pre-retirement withdrawal sum.

(Pre-retirement withdrawal from sub-account B for housing or health purpose is not subject to tax penalty).

**Please visit www.ppa.my for more information on pre-retirement withdrawal, terms & conditions and tax penalty.*

Retirement Crisis Today

Malaysians who plan to retire in **20-30 years** will need **RM900,000 - RM1 million** to retire comfortably¹

56% of EPF members around age 54 years old currently have **less than RM50,000** in their accounts¹

Malaysians who are retiring in the next few years will need about **RM600,000** to have a dignified retirement in Kuala Lumpur, and only about **4%** of Malaysians could afford to retire with RM600,000 savings threshold²

52% of EPF's members have less than RM10,000 in their accounts, while **27%** have less than RM1,000²

73% of EPF active members and **84%** of all members had inadequate savings, which would see them unable to afford even RM1,000 monthly during retirement³

Two-third (71%) of EPF members **aged 55 and below** do not have enough funds for retirement to raise them above the poverty level⁴

The Solution: Save 1/3 of your income to retire comfortably
