The Morningstar Rating is an assessment of a Fund's past performance-based on both return and risk-which shows how similar investments compare with their competitors. A high rating alone is insufficient basis for an investment decision. Where a distribution is declared, investors are advised that following the issue of additional Units/distribution, the NAV per Unit will be reduced from cum-distribution NAV to ex-distribution NAV.

The Private Pension Administrator (PPA) Annual Fee is not payable by the Member for the year the Member's account is first opened and the year(s) where no contribution has been made.

A copy of the Disclosure Document and Product Highlights Sheet ("PHS") can be obtained at AHAM Asset Management's ("AHAM Capital") sales offices or at www.aham.com.my. Investors are advised to read and understand the contents of Disclosure Document and the corresponding PHS before investing. There are fees and charges involved when investing in the Fund. Investors are advised to consider and compare the fees and charges as well of the risks carefully before investing. Investors should make their own assessment of the risks involved in investing and should seek professional advice, where necessary. The price of units and distribution payable, if any, may go down as well as up and past performance of the fund should not be taken as indicative of its future performance.
