* The data provided above are that of the Fund and are a percentage of NAV as at 30 June 2025. All figures are subject to frequent changes on a daily basis. Performance data source: Lipper, and Bloomberg.

[#] The Market Price per Unit for the Fund reflects the Fund's last market traded price. As such, this may vary from the Fund's actual NAV.

Income distribution policy: Subject to availability, the Fund will distribute income on an annual basis after the end of its first financial year.

A copy of the Fund's Prospectus, and Supplemental Prospectus, if any (collectively known as the "Prospectus") can be obtained at AHAM Asset Management Berhad's ("AHAM Capital") website at www.tradeplus.com.my. Investors are advised to read and understand the contents of the Prospectus. There are fees and charges involved when investing in the Fund. Investors are advised to consider and compare the fees and charges as well as the risks carefully before investing. Investors should make their own assessment of the risk involved in investing, and should seek professional advice, where necessary. The price of the units and distribution payable, if any, may go down as well as up, and past performance of the Fund should not be taken as indicative of its future performance. The Securities Commission Malaysia has not reviewed the market / promotional material, and takes no responsibility for the contents of this marketing / promotional material and expressly disclaims all liability, however arising from the marketing / promotional material.
