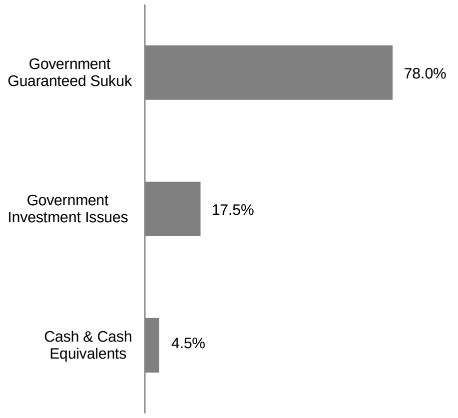
Income Distribution History

	Net Distribution (sen)	Yield %
2025	0.5	0.49

[1] Distribution Policy : Distribution of income, if any, would be on monthly basis.

Asset Allocation as at 31 May 2025*



* The data provided above is that of the Fund and is a percentage of NAV as at 31 May 2025. All figures are subject to frequent changes on a daily basis. The total for Sector and Country Allocation might not add up to 100% due to rounding.

[1] Where a distribution is declared, investors are advised that following the issue of additional Units/distribution, the NAV per Unit will be reduced from cum-distribution NAV to ex-distribution NAV. The yield of the distributions are calculated based on the total dividend payout/ex-distribution NAV.
